Directorio de proveedores

Sección 1: Introducción

Este directorio proporciona una lista de los proveedores de la red de Priority Health Medicare. Para obtener información detallada sobre su cobertura de atención médica, consulte su Evidencia de cobertura (Evidence of Coverage, EOC).

Si está inscrito en nuestros planes HMO o HMO-POS, deberá elegir uno de los proveedores de nuestra red que figuran en este directorio para que sea su proveedor de atención primaria (**P**rimary **C**are **P**rovider, PCP).
Por lo general, debe recibir los servicios de atención médica de su PCP. El término "PCP" se usará en todo este directorio.

Si está inscrito en uno de nuestros planes PPO, no debe seleccionar un PCP. Sin embargo, puede elegir a un proveedor de atención primaria (PCP) para que sea su compañero y lo ayude a mantenerse saludable.

Las normas de tiempo de espera para los servicios de atención primaria y salud conductual dependen del tipo de cita o de la naturaleza de su consulta. Si no está seguro de la urgencia de su caso, póngase en contacto con su proveedor.

- Los servicios de urgencias o emergencias deben atenderse inmediatamente.
- Los servicios que no sean de urgencia o emergencia, pero que requieren atención médica, se deben atender dentro de los 7 días hábiles.
- La atención de rutina y preventiva se debe atender dentro de los 30 días hábiles.

Los proveedores de la red que figuran en este directorio han aceptado prestarle sus servicios de atención médica, de la vista, de audición y dentales. Puede acudir a cualquiera de nuestros proveedores de la red que figuran en este directorio. Hay otros proveedores disponibles en nuestra red. No se necesitan derivaciones; sin embargo, algunos servicios pueden requerir una autorización previa. Los servicios cubiertos que necesitan autorización previa se mencionan en el Capítulo 4 de su Evidencia de cobertura (EOC).

Como miembro de Priority Health Medicare, puede elegir recibir atención de proveedores de la red o fuera de la red, siempre que los servicios sean médicamente necesarios y los cubra su plan. Sin embargo, si utiliza un proveedor fuera de la red, sus costos pueden ser más altos. Si recibe atención de un proveedor que no es elegible para participar en Medicare, usted será responsable del costo total de los servicios que reciba. Los planes que cuentan con el beneficio de viajes fuera del estado pueden recibir atención de cualquier proveedor participante de Medicare fuera de Míchigan y en cualquier lugar de los Estados Unidos por el mismo costo que si estuviera en la red. Consulte el Capítulo 3 de su Evidencia de cobertura (EOC) para obtener información completa.

Los proveedores fuera de la red no tienen obligación alguna de tratar a los afiliados de Priority Health Medicare, salvo en situaciones de emergencia. Para conocer la decisión sobre si cubriremos un servicio fuera de la red, recomendamos que usted o su proveedor llamen a Servicio de Atención al Cliente y soliciten una determinación de la organización previa al servicio antes de recibirlo. Además, puede consultar su Evidencia de cobertura (EOC) para obtener más información, incluido el costo compartido que se aplica a los servicios fuera de la red.

Si los proveedores fuera de la red le envían una factura directamente a usted, no la pague. En cambio, envíela a Priority Health Medicare para que la procese y determine su responsabilidad, si la hubiera. Consulte el Capítulo 7 de su Evidencia de cobertura (EOC) para obtener información completa.

Si está inscrito en uno de nuestros planes HMO, debe utilizar los proveedores de la red, excepto para servicios de ambulancia, situaciones de emergencia o atención de urgencia o para diálisis renal fuera del área. Si obtiene atención de rutina de proveedores fuera de la red, ni Medicare ni Priority Health Medicare serán responsables de los costos.

Si está inscrito en uno de nuestros planes HMO-POS o PPO, puede recibir atención médica de emergencia cubierta cada vez que la necesite, en los Estados Unidos y en todo el mundo. Nuestro plan cubre los servicios de ambulancia en los casos en los que ir a la sala de emergencias de alguna otra manera podría poner en peligro su salud. Con la excepción de las emergencias o la atención de urgencia, puede costar más recibir atención de proveedores fuera de la red.
