

## EyeMed | Priority Medicare Product Brief

**Short description** Routine vision coverage

**Vendor** EyeMed®

**Summary** Our embedded benefit, administered by EyeMed, includes a routine eye exam, retinal imaging and refraction on all our individual MAPD plans, including D-SNP. Medical eye exams and injectables will continue to be paid through Priority Health. An eyewear allowance is also part of our embedded benefit, with an optional material allowance buy-up.

**Where services may be performed** Services can be obtained at any provider in EyeMed’s “Select” network. Providers can be located at [eyedoclocator.eyemedvisioncare.com](https://eyedoclocator.eyemedvisioncare.com).

**Authorization required?** No.

**Accessing and using the benefit** Members can go to any EyeMed “Select” provider for benefits at the in-network level. Non-D-SNP Members can also use a non-EyeMed “Select” provider and seek reimbursement. They can call 844.366.5127 to locate a provider, Monday through Friday from 8 a.m.–8 p.m., or visit [eyedoclocator.eyemedvisioncare.com](https://eyedoclocator.eyemedvisioncare.com).

**Coverage criteria** All individual MAPD members, including D-SNP, have this benefit embedded in their plan.
