Your guide to Medicaid

See all that your Priority Health Choice® Medicaid plan offers

Prescription drug coverage
View the Approved Drug List at ***priorityhealth.com/medicine*** to find out if your prescription is covered under your plan.

$0 preventive care
Preventive care like yearly doctor visits, flu shots and some lab tests are included in your plan at no cost. Use the "Find a Doctor" tool at ***priorityhealth.com/doctor*** to search for a provider near you and schedule your yearly visit.

Dental and vision coverage
Your plan includes dental and vision coverage. Learn more about dental coverage through Delta Dental at ***priorityhealth.com/dentist***. For information about vision coverage through EyeMed, visit ***priorityhealth.com/eye***.

Transportation assistance
Your trips for medical appointments and pharmacy visits are covered. Schedule a ride by calling **888.975.8102** at least three days before your visit. If you have a ride but need to be covered for the cost, you can submit a mileage reimbursement form in your member account. Learn more at ***priorityhealth.com/ride***.

Mental health support
Our behavioral health team can provide over-the-phone mental health assistance. They can also help you find out what your plan will cover and how to find counselors or other behavioral health care providers. Call **800.673.8043** for assistance.

Maternity and infant care
Expecting a baby? We offer several free maternity and infant care programs to support you throughout this exciting journey. Learn more at ***priorityhealth.com/medicaid-maternity***.
