¹Priority Health Medicare Advantage HMO-POS plans are the highest-rated plans in Michigan and some of the highest-rated Medicare Insurance plans in the nation, with a rating of 4.5 out of 5 in the NCQA Medicare Health Insurance Plan Ratings 2023.

²According to the 2022 Medicare Advantage Health and Drug Plan Disenrollment Reasons Survey Results issued by the Centers for Medicare and Medicaid Services (CMS), September 2023. Results for PPO plans.

³Excludes providers in Michigan's Upper Peninsula; based on CMS National Downloadable File of Physicians, September 2023, and Priority Health provider database. Excludes hospitals in Michigan's Upper Peninsula; based on CMS Hospital Listing file September 2023 data and Priority Health provider database.

⁴Based on an independent survey of U.S. customers who have either made purchases, used services, or gathered information about products or services in the past three years.

⁵The Galleri test is available by prescription only. Galleri does not detect a signal for all cancers and not all cancers can be detected in the blood. False positive and false negative results do occur. Galleri is a screening test and does not diagnose cancer. Diagnostic testing is needed to confirm cancer. The Galleri test identifies DNA in the bloodstream shed by cancer cells and does not predict future genetic risk for cancer. The Galleri test should be used in addition to healthcare provider recommended screening tests. Eligibility rules apply.

⁶One Pass is a voluntary program. The One Pass program varies by plan/area. Information provided is not medical advice. Consult a health care professional before beginning any exercise program.

⁷Out-of-network/non-contracted providers are under no obligation to treat Priority Health members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

⁸Priority Health's pharmacy network includes limited lower-cost, preferred pharmacies in Michigan. The lower costs advertised in our plan materials for these pharmacies may not be available at the pharmacy you use. For up-to-date information about our network pharmacies, including whether there are any lower-cost preferred pharmacies in your area, please call 888.389.6648, TTY users call 711, or consult the online pharmacy directory at prioritymedicare.com.

Priority Health has HMO-POS and PPO plans with a Medicare contract. Enrollment in Priority Health Medicare depends on contract renewal.
