Provider Directory

Section 1 – Introduction

This directory provides a list of Priority Health Medicare’s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

*If you are enrolled in one of our HMO or HMO-POS plans, you will have to choose one of our network providers listed in this directory to be your **P**rietary **C**are **P**rovider (PCP). Generally, you must get your health care services from your PCP. The term “PCP” will be used throughout this directory.*

If you are enrolled in one of our PPO plans, you are not required to select a PCP. However, you may choose a Primary Care Provider (PCP) to be your partner in helping you stay healthy.

Appointment wait time standards for primary care and behavioral services are dependent on the appointment type or the nature of your visit. If you are unsure of the urgency of your matter, please reach out to your provider.

- Urgently needed services or emergencies are to be seen immediately.
- Services that are not an emergency or urgently needed but require medical attention must be seen within 7 business days.
- Routine and preventative care must be seen within 30 business days.

The network providers listed in this directory have agreed to provide you with your health care, vision, dental and hearing services. You may go to any of our network providers listed in this directory. Other providers are available in our network. Referrals are not required; however, some services may require prior authorization. Covered services that need prior authorization are listed in Chapter 4 of your Evidence of Coverage (EOC).

As a Priority Health Medicare member, you can choose to receive care from in-network or out-of-network providers, as long as the services are medically necessary and covered by your plan. However, if you use an out-of-network provider, your costs may be higher. If you receive care from a provider who is not eligible to participate in Medicare, you will be responsible for the full cost of services you receive. Plans with the out-of-state travel benefit can receive care through any Medicare-participating provider outside of Michigan and anywhere in the United States for the same cost as if you were in-network. Please refer to Chapter 3 of your Evidence of Coverage (EOC) for complete details.

Out-of-network providers are under no obligation to treat Priority Health Medicare enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to call Customer Service and ask for a pre-service organization determination before you receive the service. You may also refer to your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services.

In cases where out-of-network providers submit a bill directly to you, please do not pay the bill directly. Instead, please submit it to Priority Health Medicare for processing and determination of your liability, if any. Please refer to Chapter 7 of your Evidence of Coverage (EOC) for complete details.

If you are enrolled in one of our HMO plans you must use network providers except for ambulance services, emergency, or urgent care situations or for out-of-area renal dialysis. If you obtain routine care from out-of-network providers, neither Medicare nor Priority Health Medicare will be responsible for the costs.

If you are enrolled in one of our HMO-POS or PPO plans you may get covered emergency medical care whenever you need it, anywhere in the United States and worldwide. Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. With the exception of emergencies or urgent care, it may cost more to get care from out-of-network providers.
