

 The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. Note: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage or to get a copy of the complete terms of coverage, visit us at PriorityHealth.com or call 1-800-528-8762. For general definitions of common terms, such as allowed amount, balance billing, co-insurance, co-payment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary/> or call 1-800-528-8762 to request a copy.

| Important Questions  | Answers   | Why this Matters   |
|--|---|--|
| <b>What is the overall deductible?</b>                             | \$4,000 person / \$8,000 family   | Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .  |
| <b>Are there services covered before you meet your deductible?</b> | Yes, the <u>deductible</u> doesn't apply to <u>preventive care</u> or pediatric vision services.  | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without cost-sharing and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .  |
| <b>Are there other deductibles for specific services?</b>          | No.   | You don't have to meet <u>deductibles</u> for specific services.   |
| <b>What is the out-of-pocket limit for this plan?</b>              | \$8,000 person / \$16,000 family  | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.  |
| <b>What is not included in the out-of-pocket limit?</b>            | Premiums, <u>balance-billed</u> charges, health care this <u>plan</u> doesn't cover, additional costs you may pay if you choose to receive a brand name drug when an equivalent generic drug is available or a non-preferred drug when a preferred drug is available, services that exceed an annual day/visit limit, and any <u>co-pays</u> and <u>co-insurance</u> you pay for any non-essential health benefits. | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .   |
| <b>Will you pay less if you use a network provider?</b>            | Yes. See PriorityHealth.com or call 1-800-528-8762 for a list of <u>participating providers</u> .   | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| <b>Do I need a referral to see a specialist?</b>                   | No.   | You can see an in-network <u>specialist</u> you choose without a <u>referral</u> .   |

All co-payment and co-insurance costs shown in this chart are after your deductible has been met, if a deductible applies.
