

 The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. Note: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage or to get a copy of the complete terms of coverage, visit us at PriorityHealth.com or call 1-800-528-8762. For general definitions of common terms, such as allowed amount, balance billing, co-insurance, co-payment, deductible, provider, or other underlined terms see the Glossary. Important Questions	Answers	Why this Matters
<b>What is the overall deductible?</b>	\$0	See the Common Medical Events chart below for your costs for services this plan covers.
<b>Are there services covered before you meet your deductible?</b>	Yes.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other deductibles for specific services?</b>	No.	You don't have to meet deductibles for specific services.
<b>What is the out-of-pocket limit for this plan?</b>	Not Applicable.	This plan does not have an out-of-pocket limit on your expenses.
<b>What is not included in the out-of-pocket limit?</b>	Premiums, balance-billed charges, health care this plan doesn't cover, additional costs you may pay if you choose to receive a brand name drug when an equivalent generic drug is available or a non-preferred drug when a preferred drug is available, services that exceed an annual day/visit limit, and any co-pays and co-insurance you pay for any non-essential health benefits.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
<b>Will you pay less if you use a network provider?</b>	Yes. You will receive care within the Trinity Health East Network of doctors and hospitals located around Jackson, Livingston and Washtenaw counties. See PriorityHealth.com or call 1-800-528-8762 for a list of participating providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
<b>Do I need a referral to see a specialist?</b>	No.	You can see the in-network specialist you choose without a referral.

All co-payment and co-insurance costs shown in this chart are after your deductible has been met, if a deductible applies.
