B. Background Information about PriorityMedicare Dual Premier's Network Providers

B1. Key terms

Care Teams and care plans are essential components of delivering coordinated, person-centered care. A care team is a multidisciplinary group of healthcare professionals—including primary care providers, specialists, nurses, social workers and others who collaborate to support the unique needs of each member.

- *The team develops a comprehensive care plan that outlines the member's goals, treatment strategies, medications, follow-up schedules, and any needed community or support services.*
- *This plan is reviewed on a regular basis and updates to reflect changes in the members' conditions or preferences, ensure continuity of care and improved health outcomes.*
- *Providers play a key role in both contributing and executing the care plan, fostering communication and accountability across the team.*

This section explains key terms in our Directory.

- **Providers** are professionals such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, supplies, drugs, equipment, and other services.
 - The term **providers** includes facilities such as hospitals, clinics, and other places that provide medical services and medical equipment.
 - Providers that are a part of our plan's network are called **network providers**.
- **Network providers** have contracted with us to deliver services to members of our plan. Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. When you use a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider** (PCP) is a Provider who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time.

If you have questions, please call **PriorityMedicare Dual Premier** at 833.939.0983 (TTY 711). From Oct. 1–Mar. 31, we're available seven days a week from 8 a.m.–8 p.m. ET. From Apr. 1–Sept. 30, we're available Mon.–Fri. from 8 a.m.–8 p.m. and Sat. 8 a.m.–noon ET. The call is free. **For more information**, visit priorityhealth.com/ppd.

- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
 - Oncologists care for patients with cancer.
 - Cardiologists care for patients with heart conditions.
 - Orthopedists care for patients with certain bone, joint, or muscle conditions.
- Referrals are not required; however, some services may require prior authorization. Covered services that need prior authorization are listed in Chapter 4 of your Evidence of Coverage (EOC). A **prior authorization** is different than a referral. It means that **Priority**Medicare Dual Premier (not your network PCP) must give you approval **before** we'll cover a specific service, item, or drug or an out-of-network provider. If you don't get prior authorization, **Priority**Medicare Dual Premier may not cover the service, item, or drug.
 - Referrals or prior authorization **aren't** needed for:
 - emergency care;
 - urgently needed care;
 - kidney dialysis services that you get at a Medicare-certified dialysis facility when you're outside the plan's service area; or
 - services from a women's health specialist.
 - Additionally, if you're eligible to get services from Indian health providers, you may use these providers without a referral. We must pay the Indian health provider for those services even if they're out of our plan's network.
 - More information on referrals and prior authorization is available in **Chapter 3** of the *Member Handbook/EOC*.
- You'll also be assigned a *care manager*. *The care manager will discuss with you who you would like to include on your care team.* Everyone on the care team works together to make sure your care is coordinated. This means that they make sure that you get all of the tests, labs, and other care that you need, and the results are shared with the appropriate providers. It also means that your PCP should know all the medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers. Members of your care team may include:
 - A **Care Manager** that helps you manage your medical providers and services.
 - Your **Primary Care Provider**.

- Health Care Specialists
- Friends and family who are supportive of you.

Your Care Team will also help you find other providers of medical, behavioral health, or Long-term Services and Supports (LTSS) if you need a specialist or other health care provider. That way, you'll get the right provider to help you with your concerns.

B2. Wait times for primary care and behavioral health

- We must provide you with access to primary care and behavioral health services within the following timeframes: immediately for urgently needed services or an emergency;
- within 7 days for services that aren't an emergency or urgently needed, but you require medical attention; or
- within 30 days for routine and preventative care.

B3. How to choose a Primary Care Provider (PCP)

First, you will need to choose a Primary Care Provider (PCP). You can choose any PCP in our network who is accepting new members.

- If there's a particular specialist or hospital that you want to use, it's important to find out if they're in-network. You can look in this Directory or ask **Priority**Medicare Dual Premier Customer Care to confirm if the Provider is in-network.
- Out-of-network services may not be covered by **Priority**Medicare Dual Premier.
- To choose a PCP, refer to the list of providers in **Section C**, use our online *Find a Doctor* tool at priorityhealth.com/findadoc. You should choose a provider:
 - that you use now, **or**
 - who has been recommended by someone you trust, **or**
 - whose offices are easy for you to get to.
- If you don't choose a PCP in our network, **Priority**Medicare Dual Premier will choose one for you.

If you have questions, please call **Priority**Medicare Dual Premier at 833.939.0983 (TTY 711). From Oct. 1–Mar. 31, we're available seven days a week from 8 a.m.–8 p.m. ET. From Apr. 1–Sept. 30, we're available Mon.–Fri. from 8 a.m.–8 p.m. and Sat. 8 a.m.–noon ET. The call is free. **For more information**, visit priorityhealth.com/ppd.

- If you want help in choosing a PCP, please call Customer Care at the number listed at the bottom of this page. The call is free. Or visit priorityhealth.com/ppd.
- If you have questions about whether any service or care that you want or need is covered, talk to your Care Team or call Customer Care at the number listed at the bottom of this page and ask **before** you get the service or care.

B4. Long-term Services and Supports (LTSS) providers

As a **Priority**Medicare Dual Premier member, you'll be able to get Long-term Services and Supports (LTSS) if you need them, such as:

PERS- an electronic device to call for help in an Emergency.

Nonmedical Transportation- Transportation to non-medical appointments and activities.

Respite- temporary relief for caregivers.

Assistive Technology- items to increase or maintain function and promote independence.

Chore Services- household assistance.

Personal Care Services- hands on daily support with bathing, dressing, grooming.

These supports help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

If you need LTSS your Care Manager can help you and your Care Team determine what options are available to support you in the way you want.

B5. How to access PriorityMedicare Dual Premier's network providers

You must get all of your covered services from providers within our network. If you use providers who aren't in **Priority**Medicare Dual Premier's network (**without prior authorization**), **you may have to pay the bill.**

A **prior authorization** is an approval from **Priority**Medicare Dual Premier to seek services outside of our network or to get services not routinely covered by our network **before** you get the services.

The only exceptions to this rule are when you need urgent or emergency care or dialysis and can't get to a provider in the plan, such as when you're away from home. You can also go outside the plan for other non-emergency services if **Priority**Medicare Dual Premier gives you permission first.

- You may change providers within the network at any time during the year. If you've been using one network provider, you don't have to keep using that same provider. You may submit a PCP change form or call Customer Care at the bottom of this page to change your Primary Care Provider
- **Priority**Medicare Dual Premier works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need a provider and aren't sure if they offer the accommodations you need, **Priority**Medicare Dual Premier can help you. Talk to your care team for assistance.

If you have questions, please call **Priority**Medicare Dual Premier at 833.939.0983 (TTY 711). From Oct. 1–Mar. 31, we're available seven days a week from 8 a.m.–8 p.m. ET. From Apr. 1– Sept. 30, we're available Mon.–Fri. from 8 a.m.–8 p.m. and Sat. 8 a.m.–noon ET. The call is free. **For more information**, visit priorityhealth.com/ppd.

D. Background Information about PriorityMedicare Dual Premier's Network Pharmacies

This Directory lists the pharmacies that you may use to get your drugs. These are referred to as **network pharmacies** in this Directory. These network pharmacies are pharmacies that **participate in and accept PriorityMedicare Dual Premier** and have agreed to provide drugs to you as a member of the plan.

While most of the drugs you get from a pharmacy are covered by **PriorityMedicare Dual Premier**, other drugs may be covered by Michigan Medicaid. This can include some over-the-counter medications and certain vitamins. For drugs covered by Michigan Medicaid, please visit the Michigan Medicaid website Medicaid Health Plan Pharmacy Benefit at www.michigan.gov/medicaid for more information. You can also call the Beneficiary Help Line at 800.642.3195 or the Michigan Healthcare Help Line at 855.789.5610 (TTY 866.501.5656 between the hours of 8:00 AM and 7:00 PM, Monday through Friday (except holidays)). Please bring your Member ID Card when getting prescriptions through Michigan Medicaid.

Please contact **PriorityMedicare Dual Premier** Customer Care at the numbers listed at the bottom of this page or your Care Coordinator for assistance.

PriorityMedicare Dual Premier members must use network pharmacies to get drugs except in emergency or urgent care situation.

- If you use an out-of-network pharmacy for prescriptions when it isn't an emergency, you'll have to pay out of pocket for the service.
- Read the **PriorityMedicare Dual Premier** *Member Handbook*/EOC for more information.

This Directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this Directory

For up-to-date information about **PriorityMedicare Dual Premier** network pharmacies in your area, please visit our website at priorityhealth.com/ppd or call Customer Care at the number listed at the bottom of this page. The call is free.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the *Member Handbook*/EOC and **PriorityMedicare Dual Premier's List of Covered Drugs**. You can find an up-to-date list of drugs that we cover on our website at priorityhealth.com/ppd or call Customer Care at the number listed at the bottom of this page.

D1. Types of pharmacies in PriorityMedicare Dual Premier's network

Along with retail pharmacies, your plan's network of pharmacies includes:

- Mail-order pharmacies send covered drugs to members through the mail or shipping companies.
- Home infusion pharmacies prepare drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.
- Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies.

You aren't required to continue using the same pharmacy to fill your prescriptions.

D2. Long-term supplies of prescriptions

- Mail-Order Programs. We offer a mail-order program that allows you to get up to a three-month supply of your drugs sent directly to your home. A three-month supply has the same copay as a one-month supply.
- 90-Day Retail Pharmacy Programs. Some retail pharmacies may also offer up to a three-month supply of covered drugs. A three-month supply has the same copay as a one-month supply.

If you have questions, please call **PriorityMedicare Dual Premier** at 833.939.0983 (TTY 711). From Oct. 1–Mar. 31, we're available seven days a week from 8 a.m.–8 p.m. ET. From Apr. 1–Sept. 30, we're available Mon.–Fri. from 8 a.m.–8 p.m. and Sat. 8 a.m.–noon ET. The call is free. **For more information**, visit priorityhealth.com/ppd.

E. PriorityMedicare Dual Premier's List of Network Pharmacies

Mail Order Pharmacy

Express Scripts Home Delivery
888.378.2589

You can get prescription drugs shipped to your home through our network mail order delivery program "*Express Scripts Home Delivery*".

If you have used mail-order services with your current plan before, or if you opt-in now, our mail order pharmacy will automatically fill and ship new prescriptions received directly from your doctors or other prescribers. You may opt-out of automatic deliveries of new prescriptions at any time by contacting Express Scripts by phone or email. Call 888.378.2589 or go to express-scripts.com and create an online account to send a secure email. If you never had mail order delivery and/or decide to stop automatic fills of new prescriptions, we will contact you each time we get a new prescription from a provider, to see if you want the medication filled and shipped at that time. This will give you an opportunity to make sure the correct drug (including strength, amount, and form) will be delivered, and, if necessary, allow you to cancel or delay the order before you are billed, and it is shipped.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact Express Scripts by phone or email. Call 888.378.2589 or go to express-scripts.com and create an online account to send a secure email.

Typically, you should expect to receive your prescription within 14 days from the time the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact Customer Care toll-free at 833.939.0983 (TTY users should use 711), From Oct. 1–Mar. 31, we're available seven days a week from 8 a.m.–8 p.m. ET.
