

# Over-the-counter (OTC) benefit catalog

Shop for health and wellness products with your  
OTC allowance.

# WELCOME!

Your Priority Health plan comes with an over-the-counter (OTC) allowance to use toward OTC health and wellness items.

Your allowance amount is automatically loaded onto your Priority Health OTC card. Be sure to spend it, as your unused funds do not roll over.

Please refer to your Evidence of Coverage or Member Handbook, depending on plan.

Thank you for choosing Priority Health.

## OTC ALLOWANCE OVERVIEW

- You can only purchase eligible OTC items at participating stores. Use the Priority Health OTC mobile app or visit **[priorityhealth.com/shopotc](https://priorityhealth.com/shopotc)** to see a full list of eligible stores.
- Visit **[priorityhealth.com/shopotc](https://priorityhealth.com/shopotc)** or use our mobile app to check your balance and use our mobile app to scan for eligible products while you shop.
- You cannot purchase non-health related goods or services.
- Use your card as the first method of payment at the checkout. Any items that are not covered under the allowance will need to be paid for out of pocket.
- This card is not redeemable for cash and you cannot receive cash back, even if you have remaining allowance dollars after your purchase.

# CATALOG ORDER GUIDELINES

**All products, quantities, sizes and prices are subject to change. We reserve the right to limit quantities.**

Your order total will be applied to the allowance period in which the order is received.

For orders over your allowance, you'll need another payment method to pay for the difference. Sales tax applies.

The products in this catalog and online are personal items. For this reason, we do not allow returns or exchanges.

Please call **833.415.4380 (TTY 711)** within 30 days of placing your order if:

1. You haven't received your order.
2. You received a defective or damaged item.

## **Keep in mind:**

These guidelines apply to products ordered online, via mobile app or by phone. These guidelines do **NOT** apply to purchases made in any store.

\* Medicare Part B/D - Under certain circumstances some items may be covered under either Part B or Part D. When you are eligible to receive these items under Part B or Part D you may not purchase these items through your Part C supplemental OTC allowance. For your convenience, we've marked these items with an asterisk(\*).

‡ Dual-purpose items are medicines and products that can be used for either a medical condition or for general health and well-being. In order to purchase these items under your plan, your personal physician must recommend them to you for a specific diagnosed condition. Please speak to your physician before ordering these items.

# FREQUENTLY ASKED QUESTIONS

## **1. How much is my allowance?**

Allowance amounts vary by plan. You can find your amount in your Evidence of Coverage or Member Handbook (depending on plan) or check your available balance online at **priorityhealth.com/shopotc**, our mobile app or by phone.

## **2. Where can I find more information about the products?**

You can find more information, including descriptions and photos, in your account online at **priorityhealth.com/shopotc**. You can also call the Priority Health OTC Customer Care team for more information.

## **3. Does my OTC allowance allowance roll over if I don't use it?**

Unused OTC allowances do not roll over from one period to the next, or from one year to the next. Make sure to take advantage of your allowance before it expires.

## **4. What if I want to buy more products but do not have enough money in my OTC allowance?**

Any items not covered by your OTC allowance amount will need to be paid for out of pocket. If you want to buy products from this catalog or online that you don't have enough in your balance for, we accept credit and debit cards as another form of payment.
