## DO I HAVE TO USE A TRUHEARING NETWORK PROVIDER?

Yes, you must use a TruHearing Network Provider for services to be covered.

## FINDING A TRUHEARING NETWORK PROVIDER

Call TruHearing at 855.205.6382

## DO I HAVE TO CALL TRUHEARING BEFORE I SEE A TRUHEARING NETWORK PROVIDER?

Yes. To access your benefits, you must call TruHearing at 833.414.9010 to schedule an appointment with a TruHearing Network Provider. A TruHearing consultant will verify your coverage and help you to set up a hearing exam with an in-network hearing provider. If hearing loss is discovered, your audiologist or hearing instrument specialist will help you choose the appropriate hearing aids for your hearing loss.

If you receive services from a TruHearing Network Provider without first calling to TruHearing to access your benefits, you will pay for the full cost of any services received. You will NOT be reimbursed.

## WHAT IF I USE A NON-TRUHEARING NETWORK PROVIDER?

If you choose to receive services from a Non-TruHearing Network Provider, **you will pay for the full cost of any services received. You will NOT be reimbursed.** Services and supplies from Non-TruHearing Providers are not covered under this plan.

## HOW PAYMENT IS MADE TO TRUHEARING NETWORK PROVIDERS

TruHearing works with their network providers to make payments. You are responsible for paying any applicable cost-share that is not covered in the current described covered services chart below. You are also responsible for paying for any charges above the maximum benefit available under this plan for provider services, supplies or hearing aids.

## GRIEVANCE AND APPEAL PROCEDURES
