[1]Priority Health Medicare Advantage HMO-POS plans are one of the highest-rated plans in the nation and in Michigan, with a rating of 4.5 out of 5 in the NCQA Medicare Health Insurance Plan Ratings 2024.

[2]According to July 2025 monthly enrollment from Centers for Medicare and Medicaid Services. Priority Health Medicare Advantage plans has the highest volume of enrollments in Michigan when compared to other carriers.

[3]Excludes providers in Michigan's Upper Peninsula; based on the CMS National Downloadable File of Physicians, Aug. 2025, and the Priority Health provider database.

[4]Priority Health has been named to Newsweek's America's Best Customer Service 2025 list. Based on an independent survey of U.S. customers who have either made purchases, used services, or gathered information about products or services in the past three years.

[5]The Galleri test is available by prescription only. Galleri does not detect a signal for all cancers and not all cancers can be detected in the blood. False positive and false negative results do occur. Galleri is a screening test and does not diagnose cancer. Diagnostic testing is needed to confirm cancer. The Galleri test identifies DNA in the bloodstream shed by cancer cells and does not predict future genetic risk for cancer. The Galleri test should be used in addition to healthcare provider recommended screening tests. Eligibility rules apply.

[6]One Pass is a voluntary program. The One Pass program varies by plan/area. Information provided is not medical advice. Consult a health care professional before beginning any exercise program.

[7]Out-of-network/non-contracted providers are under no obligation to treat Priority Health members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

[8]Priority Health's pharmacy network includes limited lower-cost, preferred pharmacies in Michigan. The lower costs advertised in our plan materials for these pharmacies may not be available at the pharmacy you use. For up-to-date information about our network pharmacies, including whether there are any lower-cost preferred pharmacies in your area, please call 888.389.6648, TTY users call 711, or consult the online pharmacy directory at ***prioritymedicare.com***.

Priority Health has HMO-POS and PPO plans with a Medicare contract. Enrollment in Priority Health Medicare depends on contract renewal.
