Directorio de Proveedores

Sección 1: Introducción

Este directorio presenta una lista de los proveedores de la red de Priority Health Medicare. Para obtener información detallada sobre su cobertura de atención médica, consulte su Evidencia de Cobertura (Evidence of Coverage, EOC).

Tendrá que elegir uno de los proveedores de nuestra red que se enumeran en este Directorio para que sea su proveedor de atención primaria (Primary Care Provider, PCP). En general, debe recibir sus servicios de atención médica de su PCP. En todo este Directorio, se utilizará el término “PCP”.

Los tiempos de espera estándares para una cita de atención primaria y servicios de salud conductual dependen del tipo de cita y la naturaleza de su visita. Si no está seguro respecto de la urgencia de su problema, comuníquese con su proveedor.

- Los servicios de urgencia o emergencia deben brindarse de inmediato.
- Los servicios que no sean de emergencia o urgencia, pero requieran atención médica, deben brindarse en un plazo de 7 días hábiles.
- La atención de rutina y preventiva debe brindarse en un plazo de 30 días hábiles.

Los proveedores de la red incluidos en este Directorio han aceptado prestarle servicios de atención médica, de la vista, dentales y de audición. Puede ir a cualquiera de los proveedores de nuestra red incluidos en este Directorio. En nuestra red, hay otros proveedores disponibles. No se requieren derivaciones; sin embargo, es posible que se requiera una autorización previa para algunos servicios. Los servicios cubiertos que necesitan una autorización previa se enumeran en el Capítulo 4 de su Evidencia de Cobertura (EOC).

En los casos en los que proveedores fuera de la red le envíen una factura directamente a usted, no la pague de inmediato. En cambio, le solicitamos que la envíe a Priority Health Medicare para que se procese y se determine su responsabilidad, si corresponde. Consulte el Capítulo 7 de su Evidencia de Cobertura (EOC) para obtener los detalles completos.

Debe usar proveedores de la red, excepto para servicios de ambulancia, emergencias, situaciones de atención urgente o diálisis renal fuera del área. Si obtiene atención de rutina de proveedores fuera de la red, ni Medicare ni Priority Health Medicare serán responsables de los costos.

Introducción

Este folleto presenta una lista de las farmacias de la red de Priority Health Medicare. Para obtener una descripción completa de su cobertura de medicamentos con receta, que incluye cómo surtir sus recetas, consulte la Evidencia de Cobertura (EOC) y el formulario de **Priority**Medicare D-SNP℠.

Hacemos referencia a las farmacias de esta lista como “farmacias de la red” porque hemos celebrado acuerdos con ellas para brindarles medicamentos con receta a los miembros del plan. En la mayoría de los casos, los medicamentos con receta están cubiertos por Priority Health Medicare solo si se obtienen en una farmacia de la red o a través de nuestro servicio de farmacias de pedido por correo. Una vez que va a una farmacia, no es obligatorio que siga yendo a la misma farmacia para surtir su receta, sino que puede cambiar a cualquiera de las otras farmacias de nuestra red. Surtiremos recetas en farmacias fuera de la red en determinadas circunstancias, según se describe en su Evidencia de Cobertura.

Es posible que este Directorio no incluya todas las farmacias de la red. Es posible que se hayan agregado o eliminado farmacias de la lista después de la publicación de este Directorio. Esto quiere decir que puede haber farmacias de la lista que ya no estén en nuestra red o que haya farmacias nuevas en nuestra red que no están en la lista. Esta lista está actualizada al **1/2027**. Para obtener la lista más actualizada, comuníquese con nosotros. Nuestra información de contacto aparece en la portada y la contraportada.

Puede solicitar que se le envíen medicamentos con receta a su hogar a través del programa de entrega de pedido por correo de nuestra red. Para obtener más información, comuníquese con nosotros o consulte la sección sobre pedido por correo de este Directorio de Farmacias.

Si tiene preguntas sobre alguno de los temas anteriores, consulte la portada y la contraportada de este Directorio para obtener información sobre cómo comunicarse con Priority Health Medicare.

v: Indica que esta farmacia participa en la red de vacunación de la Parte D de Priority Health Medicare. Si recibe su vacuna de la Parte D de una de las farmacias de nuestra red de vacunas, luego, la farmacia puede facturarnos directamente. No es necesario que complete un formulario de reembolso al miembro. Se aplicarán su copago o coseguro.

e: Indica que esta farmacia de la red de Priority Health Medicare admite recetas electrónicas.

En este Directorio, las farmacias se enumeran por tipo de farmacia (minorista, cadena y nacional) en orden alfabético por ubicación (ciudad y estado) y nombre de la farmacia.

Farmacias de pedido por correo

Entrega a domicilio de Express Scripts
888.378.2589

Puede solicitar que se le envíen medicamentos con receta a su hogar a través del programa de entrega de pedido por correo de nuestra red, *"Entrega a domicilio de Express Scripts"* (Express Scripts Home Delivery).

Si ya utilizó antes los servicios de pedido por correo con su plan actual o si se suscribe ahora, nuestra farmacia de pedido por correo surtirá y enviará de forma automática las nuevas recetas que reciba directamente de sus doctores o de otras personas autorizadas a dar recetas. Puede cancelar su suscripción a las entregas automáticas de recetas nuevas en cualquier momento comunicándose con Express Scripts por teléfono o correo electrónico. Llame al 888.378.2589 o visite *express-scripts.com* y cree una cuenta en línea para enviar un correo electrónico seguro. Si nunca utilizó nuestro servicio de entrega de pedido por correo o si decide interrumpir el surtido automático de nuevas recetas, nos pondremos en contacto con usted cada vez que recibamos una nueva receta de un proveedor para ver si desea que le surtamos y enviemos el medicamento en ese momento. Esto le dará la oportunidad de asegurarse de que se entregue el medicamento correcto (incluidas la concentración, la cantidad y la formulación) y, de ser necesario, le permitirá cancelar o demorar el pedido antes de que se le facture y se envíe.

Para los resurtidos de sus recetas de pedido por correo, tiene la opción de inscribirse en un programa de resurtidos automáticos. En este programa, comenzaremos a procesar su próximo resurtido de forma automática cuando nuestros registros indiquen que se está por quedar sin su medicamento. Nos comunicaremos con usted antes de enviar cada resurtido para asegurarnos de que necesite más medicación. Puede cancelar los resurtidos programados si tiene suficiente medicación o si esta ha cambiado. Si elige no usar el programa de resurtido automático, comuníquese con nosotros 14 días antes de la fecha en que cree que se acabarán los medicamentos que tiene para garantizar que su siguiente pedido se le envíe a tiempo. Para cancelar la suscripción al programa de resurtido automático, comuníquese con Express Scripts por teléfono o correo electrónico. Llame al 888.378.2589 o visite *express-scripts.com* cree una cuenta en línea para enviar un correo electrónico seguro.

En general, debería recibir su medicamento con receta en un plazo de 14 días desde el momento en que la farmacia de pedido por correo recibe el pedido. Si no recibe sus medicamentos con receta en ese plazo, comuníquese con el número gratuito del Servicio de Atención al Cliente, 888.389.6648 (TTY 711).
