B. Background Information about PriorityMedicare Dual Premier's Network Providers

Your Care Plan and Care Team

Our network providers work with you and your care team to help manage your care. They share important information with your care team They may also help create or update your care plan based on your needs, goals, and choices.

Network providers are expected to:

- Work with you, your Care Manager, and your care team.
- Share information needed to help manage your care.
- Help you get the care and services listed in your care plan.
- Tell your care team when your needs or care change.
- Help with your care when you move from one care setting to another.
- Your care team works together to help make sure your care meets your needs and goals.

B1. Key terms This section explains key terms in our Directory.

- **Providers** are professionals such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, supplies, drugs, equipment, and other services.
    - The term **providers** includes facilities such as hospitals, clinics, and other places that provide medical services and medical equipment.
    - Providers that are a part of our plan's network are called **network providers**.
- **Network providers** have contracted with us to deliver services to members of our plan. Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. When you use a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider** (PCP) is a Provider who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
    - Oncologists care for patients with cancer.
    - Cardiologists care for patients with heart conditions.

- Orthopedists care for patients with certain bone, joint, or muscle conditions.

- Referrals are not required; however, some services may require prior authorization. Covered services that need prior authorization are listed in **Chapter 4** of your Member Handbook. A **prior authorization** is different than a referral. It means that **Priority**Medicare Dual Premier (not your network PCP) must give you approval **before** we'll cover a specific service, item, or drug or an out-of-network provider. If you don't get prior authorization, **Priority**Medicare Dual Premier may not cover the service, item, or drug.
  - Referrals or prior authorization aren't needed for:
    - emergency care;
    - urgently needed care;
    - kidney dialysis services that you get at a Medicare-certified dialysis facility when you're outside the plan's service area; or
    - services from a women's health specialist.
  - Additionally, if you're eligible to get services from Indian health providers, you may use these providers without a referral. We must pay the Indian health provider for those services even if they're out of our plan's network.
  - More information on referrals and prior authorization is available in Chapter 3 of the Member Handbook

- You'll also be assigned a *care manager. The care manager will discuss with you who you would like to include on your care team*. Everyone on the care team works together to make sure your care is coordinated. This means that they make sure that you get all of the tests, labs, and other care that you need, and the results are shared with the appropriate providers. It also means that your PCP should know all the medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers. Members of your care team may include:
  - A **Care Manager** that helps you manage your medical providers and services.

- Your **Primary Care Provider**.
- Health Care Specialists
- Friends and family who are supportive of you.

Your Care Team will also help you find other providers of medical, behavioral health, or Long-term Services and Supports (LTSS) if you need a specialist or other health care provider. That way, you'll get the right provider to help you with your concerns.

B2. Wait times for primary care and behavioral health

- We must provide you with access to primary care and behavioral health services within the following timeframes: immediately for urgently needed services or an emergency;
- within 7 days for services that aren't an emergency or urgently needed, but you require medical attention; or
- within 30 days for routine and preventative care.

B3. How to choose a Primary Care Provider (PCP)

First, you will need to choose a Primary Care Provider (PCP). You can choose any PCP in our network who is accepting new members.

- If there's a particular specialist or hospital that you want to use, it's important to find out if they're in-network. You can look in this Directory or ask **Priority**Medicare Dual Premier Customer Care to confirm if the Provider is in-network.
- Out-of-network services may not be covered by **Priority**Medicare Dual Premier.
- To choose a PCP, refer to the list of providers in **Section C**, use our online *Find a Doctor* tool at *priorityhealth.com/provider-directory.* You should choose a provider:
  - that you use now, **or**
  - who has been recommended by someone you trust, **or**
  - whose offices are easy for you to get to.
- If you don't choose a PCP in our network, **Priority**Medicare Dual Premier will choose one for you.
- If you want help in choosing a PCP, please call Customer Care at the number listed at the bottom of this page. The call is free. Or visit *priorityhealth.com/ppd*.

- If you have questions about whether any service or care that you want or need is covered, talk to your Care Team or call Customer Care at the number listed at the bottom of this page and ask **before** you get the service or care.

B4. Long-term Services and Supports (LTSS) providers

As a **Priority**Medicare Dual Premier member, you'll be able to get Long-term Services and Supports (LTSS) if you need them, such as:

- *PERS- an electronic device to call for help in an Emergency.*
- *Nonmedical Transportation- Transportation to non-medical appointments and activities.*
- *Respite- temporary relief for caregivers.*
- *Assistive Technology- items to increase or maintain function and promote independence.*
- *Chore Services- household assistance.*
- *Personal Care Services- hands on daily support with bathing, dressing, grooming.*

These supports help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

If you need LTSS your Care Manager can help you and your Care Team determine what options are available to support you in the way you want.

B5. How to access PriorityMedicare Dual Premier's network providers

You must get all of your covered services from providers within our network. If you use providers who aren't in **Priority**Medicare Dual Premier's network **(without prior authorization), you may have to pay the bill.**

A **prior authorization** is an approval from **Priority**Medicare Dual Premier to seek services outside of our network or to get services not routinely covered by our network **before** you get the services.

The only exceptions to this rule are when you need urgent or emergency care or dialysis and can't get to a provider in the plan, such as when you're away from home. You can

also go outside the plan for other non-emergency services if **Priority**Medicare Dual Premier gives you permission first.

- You may change providers within the network at any time during the year. If you've been using one network provider, you don't have to keep using that same provider. You may submit a PCP change form or call Customer Care at the bottom of this page to change your Primary Care Provider
- **Priority**Medicare Dual Premier works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need a provider and aren't sure if they offer the accommodations you need, **Priority**Medicare Dual Premier can help you. Talk to your care team for assistance.

C. PriorityMedicare Dual Premier's List of Network Providers

This part of the Directory includes a list of **Priority**Medicare Dual Premier's network providers who participate in and accept **Priority**Medicare Dual Premier. It contains:

- **Health care professionals** including primary care providers, specialists, vision service providers, behavioral health providers, or other healthcare providers.
- **Facilities** including hospitals, nursing facilities, and behavioral health facilities; and
- **Support providers** including Long-term Services and Supports (LTSS) (for example, adult day health) and community support services (for example, peer support)

> **Cultural competence training** is additional instruction for our health care providers that helps them better understand your background, values, and beliefs to adapt services to meet your social, cultural, and language needs.

Providers are listed in alphabetical order by their last name. You can also find the provider's additional contact information by county in the **Priority**Medicare Dual Premier List of Network Providers. In addition to contact information, provider listings also include specialties and skills, such as languages spoken.

Hospitals, Skilled Nursing Facilities, Urgent Care Facilities, Ancillary Services, Chiropractors, and Vision Care Providers can also be found by county in the **Priority**Medicare Dual Premier List of Network Providers.

D. Background Information about PriorityMedicare Dual Premier's Network Pharmacies

This Directory lists the pharmacies that you may use to get your drugs. These are referred to as network pharmacies in this Directory. These **network pharmacies** are pharmacies that **participate in and accept Priority**Medicare Dual Premier and have agreed to provide drugs to you as a member of the plan.

While most of the drugs you get from a pharmacy are covered by **Priority**Medicare Dual Premier, other drugs may be covered by Michigan Medicaid. This can include some over the-counter medications and certain vitamins. For drugs covered by Michigan Medicaid, please visit the Michigan Medicaid website Medicaid Health Plan Pharmacy Benefit at *www.michigan.gov/medicaid* for more information. You can also call the Beneficiary Help Line at 800.642.3195 or the Michigan Healthcare Help Line at 855.789.5610 (TTY 866.501.5656 between the hours of 8 a.m. and 7 p.m., Monday through Friday (except holidays). Please bring your Member ID Card when getting prescriptions through Michigan Medicaid.

Please contact **Priority**Medicare Dual Premier Customer Care at the numbers listed at the bottom of this page or your Care Coordinator for assistance.

PriorityMedicare Dual Premier members must use network pharmacies to get drugs except in emergency or urgent care situation.

- If you use an out-of-network pharmacy for prescriptions when it isn't an emergency, you'll have to pay out of pocket for the service.
- Read the **Priority**Medicare Dual Premier Member Handbook for more information.

This Directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this Directory.

For up-to-date information about **Priority**Medicare Dual Premier network pharmacies in your area, please visit our website at *priorityhealth.com/ppd* or call Customer Care at the number listed at the bottom of this page. The call is free.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the Member Handbook and **Priority**Medicare Dual Premier's List of Covered Drugs. You can find an up-to-date list of drugs that we cover on our website at *prioritymedicare.com* or call Customer Care at the number listed at the bottom of this page.

D1. Types of pharmacies in PriorityMedicare Dual Premier's network

Along with retail pharmacies, your plan's network of pharmacies includes:

- Mail-order pharmacies send covered drugs to members through the mail or shipping companies.
- Home infusion pharmacies prepare drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.
- Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies.

You aren't required to continue using the same pharmacy to fill your prescriptions.

D2. Long-term supplies of prescriptions

- Mail-Order Programs. We offer a mail-order program that allows you to get up to a three-month supply of your drugs sent directly to your home. A three-month supply has the same copay as a one-month supply.
- 90-Day Retail Pharmacy Programs. Some retail pharmacies may also offer up to a three-month supply of covered drugs. A three-month supply has the same copay as a one-month supply.

Mail Order Pharmacy

Express Scripts Home Delivery
888.378.2589

You can get prescription drugs shipped to your home through our network mail order delivery program *"Express Scripts Home Delivery"*.

If you have used mail-order services with your current plan before, or if you opt-in now, our mail order pharmacy will automatically fill and ship new prescriptions received directly from your doctors or other prescribers. You may opt-out of automatic deliveries of new prescriptions at any time by contacting Express Scripts by phone or email. Call 888.378.2589 or go to *express-scripts.com* and create an online account to send a secure email. If you never had mail-order delivery and/or decide to stop automatic fills of new prescriptions, Express Scripts will contact you each time they get a new prescription from a provider to see if you want the medication filled and shipped at that time. This will give you an opportunity to make sure the correct drug (including strength, amount, and form) will be delivered, and, if necessary, allow you to cancel or delay the order before you are billed, and it's shipped.

You also have the choice to sign up for automated mail-order delivery through Express Scripts Home Delivery. Typically, you should expect to get your drugs within 14 days from the time that the mail-order pharmacy gets the order. If you don't get your drug(s) within this time, please contact us at 833.939.0983 (TTY 711). To learn more about mail-order pharmacies, refer to **Chapter 5** of the Member Handbook.

E3. MAIL ORDER PHARMACIES

Mail Order Pharmacy

Amazon Pharmacy
855.681.6802

You can get drugs shipped to your home through our network mail-order delivery program which is called *"Amazon Home Delivery"*.

To transfer an existing prescription, Amazon Pharmacy will need the name of your medication and current pharmacy—they can handle the rest. For new prescriptions, your doctor can prescribe right to Amazon Pharmacy, just like any other pharmacy.

Ask each provider to send your prescription to:
Amazon.com – Amazon Pharmacy Home Delivery
4500 S Pleasant Valley Road, Suite 201
Austin, TX 78744-2911.

Amazon pharmacists review your prescription, and you'll receive a notification to return to Amazon Pharmacy and complete your order. If you haven't already, sign up for Amazon Pharmacy at *pharmacy.amazon.com*—you'll need to sign in to place an order. Once your prescription is on file, Amazon will send you a notification. You can then add your medication to your Amazon Pharmacy cart and check out— just like on Amazon. You'll be able to see the latest tracking information as well as any delivery date updates once your order has shipped.

You also have the choice to sign up for automated mail-order delivery through Amazon Home Delivery. Your drugs will continue to automatically ship to you every three months. Typically, you should expect to get your drugs from one to four days from the time that the mail-order pharmacy gets the order. If you don't get your drug(s) within this time, please contact us at 833.939.0983 (TTY 711). To learn more about mail-order pharmacies, refer to **Chapter 5** of the Member Handbook.
