B. Información general sobre los proveedores de la red de PriorityMedicare Dual Premier

Su plan de atención y su equipo de atención

Los proveedores de nuestra red trabajan con usted y su equipo de atención para ayudar a gestionar su atención. Comparten información importante con su equipo de atención. También pueden ayudar a crear o actualizar su plan de atención según sus necesidades, objetivos y elecciones.

Se espera que los proveedores de la red hagan lo siguiente:

- Trabajar con usted, su administrador de atención y su equipo de atención.
- Compartir la información necesaria para ayudar a administrar su atención.
- Ayudarlo a obtener la atención y los servicios indicados en su plan de atención.
- Informar a su equipo de atención cuando sus necesidades o cuidados cambien.
- Ayudar con su atención cuando se traslada de un entorno de atención a otro.
- Trabajar en conjunto con su equipo de atención para garantizar que su atención satisfaga sus necesidades y objetivos.

B1. Términos clave En esta sección, se explican los términos clave de nuestro Directorio.

- Los **proveedores** son profesionales, como doctores, enfermeros, farmacéuticos, terapeutas y otras personas que brindan atención y servicios. Los **servicios** incluyen atención médica, suministros, medicamentos, equipos y otros servicios.
    - El término **proveedores** incluye centros, como hospitales, clínicas y otras instituciones que brindan servicios y equipos médicos.
    - Los proveedores que son parte de la red de nuestro plan se llaman **proveedores de la red**.
- Los **proveedores de la red** firmaron un contrato con nosotros para prestar servicios a los miembros de nuestro plan. Los proveedores de la red participan en nuestro plan. Eso quiere decir que aceptan miembros de nuestro plan y prestan servicios cubiertos por nuestro plan. Cuando consulta a un proveedor de la red, en general, no paga nada por los servicios cubiertos.
- Un **proveedor de atención primaria** (Primary Care Provider, PCP) es un proveedor que le brinda atención médica de rutina. Su PCP mantiene sus registros médicos y, con el tiempo, conocerá sus necesidades médicas.

- Los **especialistas** son doctores que prestan servicios de atención médica en relación con enfermedades o partes del cuerpo específicas. Hay muchos tipos de especialistas. A continuación, le damos algunos ejemplos:
    - Oncólogos: tratan a los pacientes que tienen cáncer.
    - Cardiólogos: tratan a los pacientes que tienen afecciones cardiacas.
    - Ortopedistas: tratan a los pacientes que tienen determinadas afecciones óseas, articulares o musculares.
- No se requieren derivaciones; sin embargo, es posible que se requiera una autorización previa para algunos servicios. Los servicios cubiertos que necesitan una autorización previa se enumeran en el **Capítulo 4** de su Manual del miembro. Una **autorización previa** es diferente de una derivación. Significa que **Priority**Medicare Dual Premier (no su PCP de la red) debe otorgarle una aprobación **antes** de cubrir un servicio, artículo o medicamento específico o a un proveedor fuera de la red. Si no obtiene la autorización previa, es posible que **Priority**Medicare Dual Premier no cubra el servicio, artículo o medicamento.
    - No se necesitan derivaciones ni autorización previa para lo siguiente:
        - Atención de emergencia.
        - Atención de urgencia.
        - Servicios de diálisis renal que reciba en un centro de diálisis certificado por Medicare cuando esté fuera del área de servicio del plan.
        - Servicios de un especialista en salud de la mujer.
    - Además, si es elegible para recibir servicios de proveedores de salud para la población indígena estadounidense, puede consultar a estos proveedores sin una derivación. Debemos pagar esos servicios al proveedor de salud para la población indígena estadounidense incluso si está fuera de la red del plan.
    - Para obtener más información sobre las derivaciones y la autorización previa, consulte el Capítulo 3 del Manual del miembro.

- También se le asignará un *administrador de atención. El administrador de atención hablará con usted sobre a quién le gustaría incluir en su equipo de atención*. Todos los integrantes de su equipo de atención trabajan en conjunto para garantizar que su atención sea coordinada. Esto significa que se aseguran de que usted obtenga todas las pruebas, análisis y cualquier otro tipo de atención que necesite, y que los resultados se compartan con los proveedores adecuados. También significa que su PCP debe conocer todos los medicamentos que toma para poder reducir los efectos negativos. Su PCP siempre obtendrá su permiso antes de compartir su información médica con otros proveedores. Su equipo de atención puede estar compuesto por los siguientes integrantes:
    - Un **administrador de atención** que lo ayuda a gestionar sus proveedores y servicios médicos.
    - Su **proveedor de atención primaria**.
    - Especialistas de atención médica.
    - Amigos y familiares que le brinden apoyo.

Su equipo de atención también lo ayudará a encontrar otros proveedores de atención médica, salud conductual o servicios y apoyos a largo plazo (Long-Term Services and Supports, LTSS) si necesita un especialista u otro proveedor de atención médica. De ese modo, encontrará al proveedor adecuado para responder a sus inquietudes.

B2. Tiempos de espera para la atención primaria y la salud conductual

- Debemos brindarle acceso a la atención primaria y los servicios de salud conductual en los siguientes plazos: de inmediato para los servicios de urgencia o una emergencia;
- en un plazo de 7 días para los servicios que no son una emergencia o urgencia, pero requieren atención médica; o
- en un plazo de 30 días para atención de rutina y preventiva.

B3. Cómo elegir un proveedor de atención primaria (PCP)

Primero, deberá elegir un proveedor de atención primaria (PCP). Puede elegir a cualquier PCP de nuestra red que esté aceptando miembros nuevos.

- Si desea acudir a un especialista u hospital en particular, es importante que averigüe si está en la red. Puede buscar en este Directorio o pedir al Servicio de Atención al Cliente de **Priority**Medicare Dual Premier que confirme si el proveedor está en la red.
- Es posible que **Priority**Medicare Dual Premier no cubra servicios fuera de la red.

- Para elegir un PCP, consulte la lista de proveedores en la **Sección C** o use nuestra herramienta en línea "*Find a Doctor"* (Buscar un doctor), en *priorityhealth.com/findadoc.* Debe elegir un proveedor:
    - que lo atienda ahora; **o**
    - que le haya recomendado alguien de su confianza; **o**
    - que atienda en un consultorio al que pueda acceder fácilmente.
- Si no elige un PCP de nuestra red, **Priority**Medicare Dual Premier elegirá uno por usted.
- Si desea obtener ayuda para elegir un PCP, llame al Servicio de Atención al Cliente al número que aparece al final de esta página. La llamada es gratuita. O bien, visite *priorityhealth.com/ppd*.
- Si tiene preguntas respecto de si está cubierto cualquier servicio o atención que desea o necesita, hable con su equipo de atención o llame al Servicio de Atención al Cliente al número que aparece al final de esta página y consulta **antes** de recibir el servicio o la atención.

B4. Proveedores de servicios y apoyos a largo plazo (LTSS)

Como miembro de **Priority**Medicare Dual Premier, también podrá recibir servicios y apoyos a largo plazo (LTSS) si los necesita. Estos son algunos ejemplos:

- *Sistema de respuesta de emergencia personal (Personal Emergency Response System, PERS): un dispositivo electrónico para pedir ayuda en una emergencia.*
- *Transporte no médico: transporte a citas y actividades no relacionadas con motivos médicos.*
- *Relevo: reemplazo temporal para cuidadores.*
- *Tecnología de asistencia: elementos para aumentar o mantener las funciones y promover la independencia.*
- *Servicios domésticos: asistencia para tareas del hogar.*
- *Servicios de cuidado personal: apoyo diario para tareas como bañarse, vestirse y asearse.*

Estos apoyos ayudan a las personas que necesitan asistencia para las tareas diarias, como bañarse, vestirse, preparar comida y tomar medicamentos. La mayoría de estos servicios se brindan en su hogar o su comunidad, pero podrían brindarse en un centro de cuidados u hospital.

Si necesita LTSS, su administrador de atención puede ayudarlos a usted y su equipo de atención a determinar las opciones disponibles para brindarle el apoyo que desea.

B5. Cómo acceder a los proveedores de la red de PriorityMedicare Dual Premier

Debe recibir todos los servicios cubiertos de proveedores dentro de nuestra red. Si se atiende con proveedores que no están en la red de **Priority**Medicare Dual Premier **(sin autorización previa), es posible que deba pagar la factura.**

Una **autorización previa** es una aprobación de **Priority**Medicare Dual Premier para buscar servicios fuera de nuestra red u obtener servicios que no están cubiertos de manera habitual por nuestra red **antes** de que reciba los servicios.

Las únicas excepciones a esta norma son si necesita atención urgente o de emergencia o si requiere diálisis y no puede acercarse a un proveedor del plan, por ejemplo, cuando está de viaje. También puede recibir otros servicios fuera del plan que no sean de emergencia si **Priority**Medicare Dual Premier le da permiso primero.

- Puede cambiar de proveedores dentro de la red en cualquier momento del año. Si se estuvo atendiendo con un proveedor de la red, no es necesario que se siga atendiendo con el mismo proveedor. Puede presentar un formulario de cambio de PCP o llamar al Servicio de Atención al Cliente al número que se encuentra al final de esta página para cambiar su proveedor de atención primaria.

- **Priority**Medicare Dual Premier trabaja con todos los proveedores de la red para satisfacer las necesidades de las personas con discapacidades. Según corresponda, la lista de proveedores de la red de este Directorio incluye información sobre las adaptaciones que brindan.

- Si necesita un proveedor y no sabe si brinda las adaptaciones que necesita, **Priority**Medicare Dual Premier puede ayudarlo. Hable con su equipo de atención para obtener ayuda.

C. Lista de proveedores de la red de PriorityMedicare Dual Premier

Esta parte del Directorio incluye una lista de los proveedores de la red de **Priority**Medicare Dual Premier que participan en **Priority**Medicare Dual Premier y lo aceptan. Contiene lo siguiente:

- **Profesionales de atención médica**, incluidos proveedores de atención primaria, especialistas, proveedores de servicios de la vista, proveedores de salud conductual u otros proveedores de atención médica.
- **Centros**, incluidos hospitales, centros de enfermería y centros de salud conductual.
- **Proveedores de apoyo**, incluidos los servicios y apoyos a largo plazo (LTSS) (por ejemplo, salud de día para adultos) y los servicios de apoyo comunitarios (por ejemplo, apoyo de pares).

> La **capacitación en competencia cultural** es una formación adicional que reciben nuestros proveedores de atención médica para ayudarlos a entender mejor sus antecedentes, valores y creencias, a fin de adaptar los servicios para satisfacer sus necesidades sociales, culturales e idiomáticas.

Los proveedores se enumeran en orden alfabético por apellido. También puede encontrar información de contacto adicional del proveedor por condado en la Lista de proveedores de la red de **Priority**Medicare Dual Premier. Además de la información de contacto, las listas de proveedores también incluyen las especialidades y habilidades, por ejemplo, los idiomas que hablan.

También puede encontrar hospitales, centros de enfermería especializada, centros de atención de urgencia, servicios complementarios, quiroprácticos y proveedores de atención de la vista por condado en la Lista de proveedores de la red de **Priority**Medicare Dual Premier.
