D. Background Information about PriorityMedicare Dual Premier's Network Pharmacies

This Directory lists the pharmacies that you may use to get your drugs. These are referred to as network pharmacies in this Directory. These **network pharmacies** are pharmacies that **participate in and accept Priority**Medicare Dual Premier and have agreed to provide drugs to you as a member of the plan.

While most of the drugs you get from a pharmacy are covered by **Priority**Medicare Dual Premier, other drugs may be covered by Michigan Medicaid. This can include some over the-counter medications and certain vitamins. For drugs covered by Michigan Medicaid, please visit the Michigan Medicaid website Medicaid Health Plan Pharmacy Benefit at *www.michigan.gov/medicaid* for more information. You can also call the Beneficiary Help Line at 800.642.3195 or the Michigan Healthcare Help Line at 855.789.5610 (TTY 866.501.5656 between the hours of 8 a.m. and 7 p.m., Monday through Friday (except holidays). Please bring your Member ID Card when getting prescriptions through Michigan Medicaid.

Please contact **Priority**Medicare Dual Premier Customer Care at the numbers listed at the bottom of this page or your Care Coordinator for assistance.

PriorityMedicare Dual Premier members must use network pharmacies to get drugs except in emergency or urgent care situation.

- If you use an out-of-network pharmacy for prescriptions when it isn't an emergency, you'll have to pay out of pocket for the service.
- Read the **Priority**Medicare Dual Premier Member Handbook for more information.

This Directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this Directory.

D1. Types of pharmacies in PriorityMedicare Dual Premier's network

Along with retail pharmacies, your plan's network of pharmacies includes:

- Mail-order pharmacies send covered drugs to members through the mail or shipping companies.
- Home infusion pharmacies prepare drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.
- Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies.

You aren't required to continue using the same pharmacy to fill your prescriptions.

D2. Long-term supplies of prescriptions

- Mail-Order Programs. We offer a mail-order program that allows you to get up to a three-month supply of your drugs sent directly to your home. A three-month supply has the same copay as a one-month supply.
- 90-Day Retail Pharmacy Programs. Some retail pharmacies may also offer up to a three-month supply of covered drugs. A three-month supply has the same copay as a one-month supply.

E3. MAIL ORDER PHARMACIES

Mail Order Pharmacy

Express Scripts Home Delivery
888.378.2589

You can get prescription drugs shipped to your home through our network mail order delivery program *"Express Scripts Home Delivery"*.

If you have used mail-order services with your current plan before, or if you opt-in now, our mail order pharmacy will automatically fill and ship new prescriptions received directly from your doctors or other prescribers. You may opt-out of automatic deliveries of new prescriptions at any time by contacting Express Scripts by phone or email. Call 888.378.2589 or go to *express-scripts.com* and create an online account to send a secure email. If you never had mail-order delivery and/or decide to stop automatic fills of new prescriptions, Express Scripts will contact you each time they get a new prescription from a provider to see if you want the medication filled and shipped at that time. This will give you an opportunity to make sure the correct drug (including strength, amount, and form) will be delivered, and, if necessary, allow you to cancel or delay the order before you are billed, and it's shipped.

You also have the choice to sign up for automated mail-order delivery through Express Scripts Home Delivery. Typically, you should expect to get your drugs within 14 days from the time that the mail-order pharmacy gets the order. Mail Order Pharmacy

Amazon Pharmacy
855.681.6802

You can get drugs shipped to your home through our network mail-order delivery program which is called *"Amazon Home Delivery"*.

To transfer an existing prescription, Amazon Pharmacy will need the name of your medication and current pharmacy—they can handle the rest. For new prescriptions, your doctor can prescribe right to Amazon Pharmacy, just like any other pharmacy.

Ask each provider to send your prescription to:
Amazon.com – Amazon Pharmacy Home Delivery
4500 S Pleasant Valley Road, Suite 201
Austin, TX 78744-2911.

Amazon pharmacists review your prescription, and you'll receive a notification to return to Amazon Pharmacy and complete your order. If you haven't already, sign up for Amazon Pharmacy at *pharmacy.amazon.com*—you'll need to sign in to place an order. Once your prescription is on file, Amazon will send you a notification. You can then add your medication to your Amazon Pharmacy cart and check out— just like on Amazon. You'll be able to see the latest tracking information as well as any delivery date updates once your order has shipped.

You also have the choice to sign up for automated mail-order delivery through Amazon Home Delivery. Your drugs will continue to automatically ship to you every three months. Typically, you should expect to get your drugs from one to four days from the time that the mail-order pharmacy gets the order. If you don't get your drug(s) within this time, please contact us at 833.939.0983 (TTY 711). To learn more about mail-order pharmacies, refer to **Chapter 5** of the Member Handbook.
