

# Priority Health + Guardian

The combined strength and knowledge of Priority Health and Guardian can help provide you with flexible and innovative employee benefits options as well as one-stop shopping. What's more, you have the ability to provide these products to your employees on either a voluntary or an employer-paid basis, which can help you manage your risk and contain costs.

Additionally, you may be eligible for a discount on medical premiums when you purchase these products from our combined portfolio. Let's set up time to talk about how Priority Health and Guardian can help you build a comprehensive benefits package.

## 50+ FTE (Full time equivalent eligible) groups
