

West MI Partners tiered network plan

An ideal network solution for employers with employees
who work and live in West and Southwest Michigan

A tiered network offering great care at a great price

West MI Partners gives you and your employees the opportunity to save more on premiums and out-of-pocket costs simply by receiving care in the preferred Tier 1 network of doctors and hospitals.

How does a tiered network work?

Providers are separated into two tiers: Tier 1 and Tier 2. We partner with our Tier 1 providers to lower member costs. If employees choose care through a Tier 1 provider, they'll benefit from lower coinsurance, copays and deductibles.

Employees will still have access to the entire Priority Health network in Tier 2. However, if they choose to receive care outside of the Tier 1 network, they will have a higher cost share.

All Tier 1 and 2 providers meet our rigorous quality standard and share our commitment to care management and coordination.

Receive the same quality care at a more competitive price

West MI Partners is an ideal solution for price-sensitive groups with employees who live and work in one of the following counties in West or Southwest Michigan:

Small group eligible counties

- Allegan¹
- Barry
- Kent
- Lake
- Mason
- Mecosta
- Montcalm
- Newaygo
- Osceola
- Ottawa

Large group eligible counties

- Allegan¹
- Barry
- Ionia
- Kent
- Lake
- Mason
- Mecosta
- Montcalm
- Muskegon
- Newaygo
- Oceana
- Osceola
- Ottawa

Why choose a tiered network?

A tiered network can help employers save on premiums and help employees save on out-of-pocket costs—all by utilizing the selected Tier 1 provider network.

Small group compatible plan designs

- PriorityClassic
- PriorityHSA

Large group compatible plan designs

- Copay Aligned
- Tiered Copay
- Traditional Copay
- PriorityHRA
- PriorityHSA
- PriorityValue

If an employer offers a West MI Partners plan, they must select all West MI Partners products from the product menu. Exceptions can be made for groups that have employees outside the multi-county region. Those groups may offer other Priority Health full network products according to underwriting guidelines, but those full network products are only available to employees living outside of the multi-county service area.

¹Except 49010 zip code

Tier 1

- Corewell Health in West Michigan², University of Michigan Health–West, Holland Hospital and Bronson Healthcare³ and providers with admitting privileges to these facilities
- Orthopedic Associates of Michigan
- Mary Free Bed Rehabilitation Hospital
- Pine Rest Christian Mental Health Services
- Forest View Hospital
- Unaffiliated ancillary providers such as physical therapists, social workers and skilled nursing facilities
- All in-network pharmacies
- Emergency services

Tier 2

- All non-Tier 1 providers currently covered under the Priority Health network.

Out-of-network

- With an HMO tiered-network solution, only services performed within the Priority Health HMO network are covered. With a POS tiered-network solution, services within or outside of the Priority Health network are covered.

Search for Providers

Check Find A Doctor at priorityhealth.com and choose **West MI Partners**, then search for a provider to see if they are Tier 1.

Certainty in your network

Our goal is to ensure all members enrolled in West MI Partners understand how and where to receive high quality, affordable care. Members receive onboarding material such as a quick start guide, emails, and information on their member ID cards indicating their plan as a West MI Partners plan.
