

PriorityActions

IMPORTANT UPDATES FOR OUR PROVIDER NETWORK

Oct. 30, 2025 | Issue #3.22

We're making PriorityActions shorter and easier to read

You'll notice some changes in this issue of PriorityActions that we hope will shorten the email and make it easier for you to get the information you need.

Each news update includes a short introduction, followed by a link to “read more” in our [Provider Manual news section](#). By clicking the link, you'll be able to read the entire news item with further details.

Based on provider feedback we received, we believe this change will enhance our communication. If you have further feedback, please reach out to your Provider Network Management specialist.

A look at our 2026 Disease Burden Management Program

[Incentive programs news](#)

We've used data from our 2025 Disease Burden Management Program (DBM) along with feedback collected from our ACN partners to build our 2026 DBM Program. Here's a look at what's coming. | [Read More](#)

PriorityMedicare Dual Premier, our HIDE-SNP plan, is replacing D-SNP in some Michigan regions

[Plans and benefits news](#)

Beginning Jan. 1, 2026, PriorityMedicare Dual Premier® (HMO) will be replacing PriorityMedicare D-SNP in some southwest and southeast Michigan counties. Dual Premier, which is a Highly Integrated Dual-Eligible Special Needs Plan (HIDE-SNP), combines Medicare, Medicaid and Long-Term Services & Supports (LTSS) into one plan for an integrated member and provider experience. | [Read More](#)

Certain medical drugs will require specialty pharmacy dispensation, effective Jan. 1, 2026

[Billing and payment news](#)

Effective Jan. 1, 2026, for commercial plans only, certain drugs covered under the medical benefit **and** administered in an outpatient hospital setting – whether in-network or out-of-network – must be dispensed and billed directly by a specialty pharmacy that Priority Health has a reimbursement agreement with. | [Read More](#)
