

How to Guide: Enroll in Electronic Funds Transfer (EFT) and Reconcile your Electronic Payments with ECHO's Provider Payments Portal.

If your bank or financial institution is not located within the United States, you are not eligible for EFT of your payments to your account. In addition, your bank must have an American Bankers Association (ABA) routing number.

HOW DOES IT WORK?

- Complete the ERA/EFT enrollment form. Upon submission, paperwork outlining the terms and conditions will be emailed to you directly along with additional instructions for setup.
- ECHO Health supports both National Provider Identifier (NPI) and the Tax Identification Number (TIN) level enrollment. You will be prompted to select the option that you would like to use during the enrollment process.
- If you need assistance, contact ECHO Health at 833-202-5918.
- Please make sure you have an ECHO Health draft number and payment amount so we can validate your enrollment request. A draft number is listed as the EPC draft # on ECHO Health explanation of payments. If you do not have an ECHO draft number available, please dial 833-202-5918.

Please Note: For security and verification of our providers during EFT enrollment, you must have received a payment from any payor implemented with ECHO before you can proceed with the enrollment process.

If you have never received a payment from ECHO for any payor, then you must wait to enroll for EFT after your first virtual card or check payment from ECHO is received.

Enroll in EFT:

Step 1

There are two different EFT enrollment options available:

Option 1

Enrollment with only this payer (**no fees apply**) visit,
<https://enrollments.echohealthinc.com/efteradirect/PriorityHealth>

Option 2

Enrollment to receive EFT from **All Payors** processing payments on the Settlement Advocated platform (**A fee for this service will apply**) visit,
<https://enrollments.echohealthinc.com>

The URL option selected above will redirect you to the appropriate page to start your EFT enrollment.

Provider EFT/ERA Enrollment Process

Provider EFT/ERA Enrollment

Welcome to our provider enrollment process for EFT/ERA enrollments, supported by ECHO Health. ECHO Health serves as our healthcare payment consolidator and provides support for our EFT/ERA process.

To initiate the enrollment process, please validate your account on the next page by clicking the link below and then completing the electronic form. When finished with the enrollment form please click on the "Submit Secure" button near the bottom of the form. This will transmit the form information safely and securely to ECHO Health to begin your enrollment process.

[Click Here](#)

To begin the enrollment process.

Step 2

Begin the EFT enrollment process by selecting the "Click Here" button.

ECHO Account

ECHO®
Payments Simplified

Provider Account Authentication

ENROLLMENT OPTIONS

- Enroll using your Provider Portal Account
- Enroll using TIN
- Enroll using Enrollment Code

Authentication

Step 3

Providers who have a **Provider Portal Account** through another ECHO enrollment will select the first option to authenticate their account.

The screen will change allowing the provider to access their Provider Portal Account with their username and password credentials

Enroll using your ECHO Provider Portal Account

ECHO

Password:

Can't access your account? [Click Here](#)

Step 4

Once the EFT enrollment is submitted, the enrollment information will be associated to the providers' existing provider payments portal account.

TIN Enrollment with an ECHO Draft No

Step 5

Most providers will select the second enrollment option “Enroll using TIN.” The option to “Enroll using Enrollment Code” is no longer available due to security reasons.

The screen in this step displays the required fields for a provider who has received an ECHO payment, also referred to as an “ECHO Draft” from any payor. The ECHO Draft is a unique number assigned to a payment and is also the check number if the payment is a check.

Once the information is completed on this page and the Submit button is selected, the provider will be prompted to complete the online enrollment form.

TIN Enrollment without an ECHO Draft No

The screenshot shows the ECHO 'Provider Account Authentication' page. At the top, the ECHO logo is displayed with the tagline 'Payments Simplified'. Below the logo, the title 'Provider Account Authentication' is centered. Underneath, there are three radio button options under the heading 'ENROLLMENT OPTIONS': 'Enroll using your Provider Portal Account', 'Enroll using TIN' (which is selected and highlighted with a red box), and 'Enroll using Enrollment Code'. Below these options is the heading 'ENROLL USING YOUR TIN' with two radio button options: 'I have Draft No' and 'I don't have Draft No' (which is selected and highlighted with a red box). The form then contains three text input fields: 'Tax Identification Number (TIN):', 'Payor Check No:', and 'Patient Account No:'. At the bottom of the form are two buttons: 'Submit' (highlighted with a red box) and 'Cancel'.

Step 6

The screen in this step displays the required fields for a provider who has also received an ECHO payment from any payor. The difference between this screen and the previous is that the provider has a Payor check number instead of the ECHO draft number available.

The **Payor Check No** field must be populated with a Payor assigned check number from a payment issued by ECHO.

The **Patient Account No** is assigned by the provider to a patient and is included on the claim submitted to the Payor.

Once the information is completed on this page and the Submit button is selected, the provider will be prompted to complete the online enrollment form.

Please Note: If you have never received a payment from ECHO for any payor, then you must wait to enroll for EFT after your first payment from ECHO is received.

Step 7

Complete the EFT/ERA Enrollment Form

- Complete all sections that apply to your enrollment.
- Enrollments are handled at the TAX ID level. All NPIs associated with the specified TIN will be automatically enrolled.
- If your TAX ID would like to receive payments into more than one bank account, please contact EDI@EchoHealthinc.com.
- If you prefer to enroll with multiple NPI's per Tax ID, please submit an excel spreadsheet using the following information:

Please indicate one of the bank accounts as "Default Account" in case a new NPI is added to your TIN, or a claim is submitted without an NPI.

<u>Tax ID</u>	<u>NPI</u>	<u>Routing Number</u>	<u>Account Number</u>

- E-sign or print and manually sign the form.
 - Mail to: ECHO Health, Inc.
810 Sharon Drive
Westlake, OH 44145
 - Fax to 440.835.5656
 - Email to EDI@EchoHealthinc.com
(secure email is recommended)
- For information about the status of your enrollment, or for any other questions, please contact ECHO at 888.834.3511 or EDI@EchoHealthinc.com.

EFT and ERA Enrollment Form

Enrollment Form Type: EFT & ERA EFT Only ERA Only

Provider Information

Provider Name: Required
(Complete legal name of institution, corporate entity, practice or individual provider)

Provider Address

Street:
(The number and street name where a person or organization can be found)

City: State or Province: ZIP Code/Postal Code:
(City associated with provider address field) (ISO 3166-2 Two Character Code associated with the State/Province/Region of the applicable Country.) (System of postal zone codes [zip stands for "zone improvement plan"] introduced in U.S. in 1963 to improve mail delivery and exploit electronic reading and sorting capabilities.)

Provider Identifiers Information

Provider Identifiers

Provider Federal Tax Identification Number(TIN) or Employer Identification Number(EIN):
(A Federal Tax Identification Number (TIN), also known as an Employer Identification Number (EIN), is used to identify a business entity)

Does provider have a National Provider Identifier (NPI) Number? Yes No

National Provider Identifier (NPI):
A Health Insurance Portability and Accountability Act (HIPAA) Administrative Simplification Standard. The NPI is a unique identification number for covered healthcare providers. Covered healthcare providers and all health plans and healthcare clearinghouses must use the NPIs in the administrative and financial transactions adopted under HIPAA. The NPI is a 10-position, intelligence-free numeric identifier (10-digit number). This means that the numbers do not carry other information about healthcare providers, such as the state in which they live or their medical specialty. The NPI must be used in lieu of legacy provider identifiers in the HIPAA standards transactions.

Provider Contact Information

Provider Contact Name:
(Name of a contact in provider office for handling EFT and / or ERA issues)

Telephone Number: Email Address:
(Associated with contact person) (An electronic mail address at which the health plan might contact the provider)

Provider Agent Information (If Applicable)

Provider Agent Name:
(Name of a provider's authorized agent)

Provider Agent Contact Name:
(Name of contact in agent office for handling EFT and / or ERA issues)

Telephone Number: Email Address:
(Associated with contact person) (An electronic mail address at which the health plan might contact the provider agent)

Financial Institution Information

Financial Institution Name:
(Official name of the provider's financial institution)

Financial Institution Routing Number:
(A 9-digit identifier of the financial institution where the provider maintains an account to which payments are to be deposited) Where is my routing number and account number? ?

Type of Account at Financial Institution:
(The type of account the provider will use to receive EFT payment, e.g., Checking, Saving)

Provider's Account Number with Financial Institution:
(Provider's account number at the financial institution to which EFT payments are to be deposited)

Account Number Linkage to Provider Identifier. Select one option below.
(Provider preference for grouping [bulking] claim payments – must match preference for v5010 X12 835 remittance advice)

Provider Tax Identification Number (TIN) National Provider Identifier (NPI)

Can't access your account? [Click Here](#)

If you have not yet registered for the Provider Payments Portal, you can register now by [clicking here](#).

[Confirm your ACH Deposit \(Ping\) by clicking here.](#)

Step 9

To confirm your ACH Deposit, you do not have to register in the Provider Payments Portal account. Confirm your ACH deposit by selecting the link at the bottom of the screen on the www.providerpayments.com log in page.

Account Confirmation

Step 10

Enter the TIN and Deposit Amount associated with the enrollment found on your bank statement or through your online banking account.

Successful Account Confirmation

Step 11

When a valid TIN and deposit amount have been entered, the Congratulations screen will display. At this point you are still **not registered** in ProviderPayments.com. Credentials will automatically be sent to you.

Provider Payments Portal – First-time Users

Step 12

Providers who register in the Provider Payments Portal for the first time can access the site by typing in the URL www.providerpayments.com

Create a New Account

To create a new account in the Provider Payments Portal, select the “clicking here” link at the bottom of this Log In page.

ACCOUNT INFORMATION

Username:

Choose a username that is at least four (4) characters long; you may use numbers and/or letters.

Email:

An email address is needed so that your password can be emailed to you if you ever forget it.

Password:

Confirm Password:

Tax Identification Number (TIN):

Your 9-digit Tax Identification Number (TIN) should be entered without any spaces or dashes (-).

Draft Number Verification **I do not have a Draft Number**

Draft Number:

ECHO draft numbers contain no space or special characters and can be located on any past Explanation of payment.

Draft Amount:

The Draft Amount should be entered without a dollar sign (\$).

Need additional help? [Click here](#)

Step 13

To setup access to your provider payments account, complete and submit the “Create a New Account” form shown on this page. After your account is created, you can log in using your credentials.

Start using the Provider Payments Portal

Once you have logged in using your credentials, the Inquiry page lists the most recent payment documents delivered via ECHO. Additional capabilities include:

- a printable PDF copy of the remittance by clicking on the “EFF” link
- an “835” link to view the associated 835 file
- viewing the settlement status (including an image of the cleared check for payments issued on paper) via the links in the “Settlement” column
- an arrow icon that when selected expands the document to show claim details

Reconcile EFT payments with ERA

When you enroll to receive EFTs, a Corporate Credit or Debit Entry (CCD) will be generated by ECHO and passed to your financial institution for each payment issued. The CCD is a related addenda record transaction received with your EFT payment.

Each CCD contains a re-association trace number created by ECHO. You can use the re-association trace number to reconcile your EFT with your ERA. A re-association trace number is the check number that is associated with the payment transaction. The same check number can be found on the ERA record.

The re-association trace number is the check number.

Payee ID: 123456	NPI #:5555555555	Check reference	Payment amount: \$500
Tax ID: 1111111111	Check #0529999	ID: 1234567890123	Date: 6/1/2017

To get your re-association trace number, contact your bank. Ask your bank to include the re-association trace number in the CCD transaction.

Billing system auto reconciliation process

When your billing system receives a CCD transaction, the re-association trace number will be in field 3 of the addenda record. If you auto-post your remittance advice into your billing system, contact your billing system vendor and ask where the re-association trace number is populated on the ERA report, and how the ERA and EFT payments are married.

Manual reconciliation process

If you do manual reconciliation, you can request a downloadable EFT report from your bank that contains the re-association trace number. This re-association trace number will also be found within the corresponding ERA file in ECHO’s provider payments portal. Once you have the EFT report and the ERA file and know where the re-association trace number is located on each report, you can match the EFT and the ERA together.
