# Provider Directory

## Section 1 – Introduction

This directory provides a list of Priority Health Medicare’s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

You will have to choose one of our network providers listed in this directory to be your **Primary Care Provider** (PCP). Generally, you must get your health care services from your PCP. The term “PCP” will be used throughout this directory.

Appointment wait time standards for primary care and behavioral services are dependent on the appointment type or the nature of your visit. If you are unsure of the urgency of your matter, please reach out to your provider.

- Urgently needed services or emergencies are to be seen immediately.
- Services that are not an emergency or urgently needed but require medical attention must be seen within 7 business days.
- Routine and preventative care must be seen within 30 business days.

The network providers listed in this directory have agreed to provide you with your health care, vision, dental and hearing services. You may go to any of our network providers listed in this directory. Other providers are available in our network. Referrals are not required; however, some services may require prior authorization. Covered services that need prior authorization are listed in Chapter 4 of your Evidence of Coverage (EOC).

In cases where out-of-network providers submit a bill directly to you, please do not pay the bill directly. Instead, please submit it to Priority Health Medicare for processing and determination of your liability, if any. Please refer to Chapter 7 of your Evidence of Coverage (EOC) for complete details.

You must use network providers except for ambulance services, emergency or urgent care situations or for out-of-area renal dialysis. If you obtain routine care from out-of-network providers, neither Medicare nor Priority Health Medicare will be responsible for the costs.
