

## TruHearing | Priority Medicare benefit brief

**Short description** Hearing exam and hearing aid benefit

**Vendor** TruHearing®

**Summary** For all individual MAPD plans except Vital and both D-SNP plans, this benefit includes one annual hearing exam at no cost and high-quality digital hearing aids at four price points: \$295/\$695/\$1095/\$1495. Also included at no additional cost are one year of free follow-up visits for fittings and evaluations, a 60-day trial period, a three-year extended warranty and 80 batteries per aid.

For Vital, D-SNP and D-SNP Advantage, members receive one annual hearing exam at no cost and one hearing aid per ear per year from TruHearing's Advanced line at no cost. These plans include a year of unlimited follow-up visits for fittings and evaluations, a 60-day trial period, a three-year extended warranty and 80 batteries per aid at no additional cost to the member.

**Where services may be performed** Services must be performed at a TruHearing provider, using TruHearing's provider finder at [truhearing.com](https://truhearing.com).

**Authorization required?** No.

**Accessing and using the benefit**

1. Call TruHearing® (number on the back of the member ID card).
2. Find a provider that is convenient.
3. Go to the appointment.
4. Order new hearing aids.
5. Fit and fine-tune new hearing aids.
6. Enjoy one year of follow-up visits for fitting and adjustments.

**Coverage criteria** All MAPD and D-SNP members have access to this benefit. Benefit coverage level varies by plan.
