Use E/M codes for maternity services billing starting in June

[Billing and payment news](#)

The American Medical Association (AMA) recently announced new obstetric (OB) CPT codes that will replace the bundled, global OB payment for maternity care services, effective Jan. 1, 2027. This change will impact both professional and facility providers. We encourage providers caring for pregnant women to start using existing E/M codes when billing for patients starting their prenatal visits on / around June 1,

2026 – transitioning to the new codes when they go into effect in Jan. 2027. | [Read More](#)
