

2026 Provider Mini-Grants

Grant Application

Complete and submit the application below to:
Providerminigrants@priorityhealth.com by May 1, 2026.

1. Project summary

Provide a brief summary of your proposed project. *Note: Preference will be given to projects that:*

- *Support gap closure in the NCQA/HEDIS Program*
- *Improve ratings in the CMS Star Ratings program and MDHHS quality programs*
- *Address a care disparity for underserved populations or communities*

2. Need statement

What patient or community need does this project address?

3. Project approach

How do you plan to meet this need?

4. Implementation process

Outline the steps and processes you'll use for completing this project.

5. Barriers and mitigation

Identify potential problems or obstacles and how you plan to address them.

6. Expected outcomes

What outcomes do you expect? Include measurable indicators and describe the anticipated impact on the target population, including any impacts for cost, quality, and/or access to care.

7. Evaluation plan

How will you measure and evaluate the success of this project?

8. Budget and budget justification

Provide a detailed budget that includes:

- a. The total amount of funding requested
- b. An itemized breakdown (can attach as spreadsheet)
- c. A description of other funding sources contributing to the project, if applicable

Note: Funds may be used for direct costs only. Indirect costs such as salaries, standard operating or facility costs, continuing education credits, or tuition expenses are not eligible.

9. Project timeline

Outline the proposed project timeline. *Note: Project must be fully completed by Dec. 31, 2026.*

10. Key personnel

List the project director(s) and any other key personnel or staff involved

11. **Supporting materials (Optional)**

Attach any figures, tables, or supporting documents relevant to the project.

12. **Final reporting requirement**

A project report must be submitted to Priority Health using [the designated reporting form](#) no later than Jan. 31, 2027
