

Medicaid mileage reimbursement form

You can request reimbursement for travel to health-related facilities.

What can I be reimbursed for?

You can ask to be reimbursed for rides that have occurred in the last 365 calendar days to health-related facilities, such as trips to your providers' office, pharmacy and appointments for covered services like physical therapy. Reimbursement is based off your address Priority Health has on file from the Michigan Department of Health and Human Services (MDHHS) and your destination.

Are there any requirements?

To be eligible for reimbursement, the following must be true:

- The ride happened in the last 365 calendar days.
- The ride normally costs money.
- You went to the nearest facility, unless you had approval to go to a farther one.
- The vehicle being used has current and valid auto insurance.
- The driver was legally licensed to operate the vehicle.
- You didn't get paid in any other way for this ride.
- No other Medicaid member is asking for reimbursement for the same ride.

Can I be reimbursed for a free ride?

Reimbursement is not available for rides that are usually free, unless you have proof of hardship or a special situation.

By signing this form, I acknowledge the following: 1. Use of transportation - I understand that if I or individuals such as family, friends or neighbors can provide rides at no cost, it is expected for these rides to continue for free. Additionally, I cannot ask for reimbursement for free rides, unless I can show proof of hardship or a special circumstance. 2. Travel to the nearest provider - I understand that I can only be reimbursed for rides to the closest facility that provides the care I need. If I went to a facility that is farther away, I received approval first. 3. Third-party payments - I understand that I cannot receive any other payment for the rides I am asking to be reimbursed for. If I do receive any, I will report it to the State of Michigan's Medicaid program, which is run by MDHHS. 5. Double payments - I understand that no other Medicaid member can be reimbursed for the same ride, to the same place, on the same day. I confirm that all information provided on this form is true, complete and accurate to the best of my knowledge. I understand that providing false or misleading information may lead to denial of reimbursement and/or further review, which may result in being reported to the State of Michigan's Medicaid program, which is run by MDHHS.
