

BILLING POLICY No. 028

RADIOLOGY PC/TC MULTIPLE SAME-DAY BILLING

Date of origin: Aug. 2024

Review dates: 11/2024

APPLIES TO

All products

DEFINITION

When multiple radiological codes are billed during a single encounter with the same provider, a reduction will be applied to the professional component (PC) and technical component (TC).

POLICY SPECIFIC INFORMATION

Imaging codes billed in a single encounter from the same CMS-defined code family by any provider with the same tax ID will have a reduction applied.

The service with the highest allowed amount will be priced at 100% of the Priority Health [fee schedule](#) (login required).

- A **50% reduction** will be applied to each subsequent **technical component**.
- A **5% reduction** will be applied to each subsequent **professional component**.

These reductions will be described as MSD on the remittance advice.

Radiology codes subject to multiple same-day procedure reductions

- [2024 MSD Codes](#)
- [2025 MSD Codes](#)

Modifiers

- **Modifier 26** indicates a **professional component** only is being billed
- **Modifier TC** indicates a **technical component** only is being billed
