As you're preparing for the arrival and launch of Virta, we've provided the following items to help you answer questions and build awareness during the pre-launch stage.

Pre-launch: **General talking points**

Ready to go customizable content available to post to your internal social media channels or share via communications tools (e.g. Teams, Slack, etc.). Have an internal e-newsletter? These posts are also designed to easily insert into emails to help inform employees of the mental health benefits available to them with their Priority Health plan.

What is Virta?

As part of your Priority Health benefit, Virta's *{{Sustainable Weight Loss/Sustainable Weight Loss with Responsible Prescribing/Diabetes Reversal}}* is a life-changing solution to help members address *weight loss/prediabetes/diabetes}}* with a combination of personalized nutrition, continuous medical support and technology.

Virta offers a proven, personalized nutrition program and expert support through an easy-to-use digital app. Virta empowers members with the tools, knowledge and medical support to sustain changes for a longer, healthier life.

When will members have access?

Starting *<insert Virta effective date>*, you can create a Virta account to schedule an enrollment consultation, where you'll be able to learn more about the program.

How is Virta different?

Virta stands out as the only solution that addresses the root cause of obesity, demonstrating proven, effective results in supporting members with obesity and type 2 diabetes through nutrition therapy, with comprehensive, sustainable medical guidance tailored to meet your individual metabolic needs.

The program helps you stay on track with digital tools and a dedicated supportive care team that's there when you need them, no in-person visits required.

Virta's approach is thoroughly science- and evidence-based. Its research is cited in the American Diabetes Association's Standards in Medical Care for Diabetes.

What can members expect from Virta?

- On-demand connection with Virta's clinician-led care team and an expert health coach to keep you on track
- Unlimited virtual visits with Virta's care team, including physicians, registered nurses and/or physician assistants with zero cost sharing
- Free monitoring supplies, including a connected weight scale and nutrition resources and recipes

Do members need a doctor referral to enroll in Virta?

Nope, no referrals are necessary. Your Virta medical provider will communicate with your local medical team as needed to ensure continuity of care.

What if I have more questions?

For questions on your health plan, call the number on the back of your member ID card or send us a message in your Member Portal account.
