

Live healthier at no cost to you

Get tools and support to track blood sugar levels, prioritize your mental health and develop a healthier lifestyle.

The program includes:

- A blood glucose meter that seamlessly connects to your mobile device
- Unlimited strips and lancets
- One-on-one coaching to manage nutrition activity and health goals
- Real-time support for out-of-range readings
- Digital tools that support your mental health

You may also be eligible for additional tools and devices to help you live healthier, including:

- Connected blood pressure monitor to help track your numbers
- Smart scale to help achieve your weight goals and track progress over time

To enroll in Teladoc Health you must opt in to at least one program that Priority Health offers as a health benefit. You must also meet the health criteria for each program you wish to enroll in. If a Teladoc Health program is not offered by Priority Health, or if you do not meet the specific health criteria of that program, you will not be able to enroll.

Livongo is an independent company that has contracted directly with Priority Health, Priority Health Managed Benefits, Inc., and their subsidiaries to provide diabetes management program that is covered under some employer-sponsored health plans. Livongo is solely responsible for the products or services offered by them. Members must have primary insurance coverage through Priority Health health plans offering the Livongo program, meet certain health criteria, and age 18 or older to be eligible for this program. If you do not meet the specific health criteria of that program, you will not be able to enroll. This material is meant for informational purposes only. For more information, contact Livongo directly by calling 800.945.4355.

Program includes trends and support on your secure Livongo account and mobile app, but does not include a phone, tablet, or smartwatch.
