USING THIS DIRECTORY

Priority Health has many doctors, specialists, and other health care resources on our team ready to serve you. All doctors and hospitals listed meet very high standards. This is just one of the ways Priority Health helps you receive quality health care.

How to Use this Directory

The *Provider Directory* sorts the doctors in our network of doctors into three lists:

1. *Alphabetical list of Primary Care Providers (PCPs)*. This list will show all the PCPs in alphabetical order by last name. It also notes the page number where you can look for the doctor's address and phone number.
2. *Geographical list of Primary Care Providers (PCPs)*. In this section, all of Priority Health's PCPs are listed under the cities where their office is located.
3. *Alphabetical list of Referral Specialists*. At times, services may be referred by the Primary Care Provider (PCP) to a participating specialist. Specialist referrals always need prior authorization.

This directory also lists hospitals, pharmacies and eye doctors that offer a discount for Priority Health members.
