

Lower plan costs. Higher quality of care. No plan changes required.

Priority Health partnered with Garner to help employers lower plan costs and give employees a better way to find high-quality care. Garner identifies the best-performing doctors already in your network and covers employees' out-of-pocket costs when they see one — with no plan design changes required.

garner

Priority Health

Smarter provider data

Applies 550+ clinical metrics to its dataset of 320M+ patients to identify providers who deliver:

27%

average savings per episode of care

Incentives that drive engagement

Covers members' out-of-pocket costs when they see a Top Provider, driving:

46%

of members use Garner to find a Top Provider

More value from your existing network

No network changes required. Keep your existing plan in place while delivering:

12%

lower plan costs on average

Higher quality, more affordable care

Garner covers members' out-of-pocket costs when they see a Top Provider — making it simpler to choose high-quality care. On average, members who see Garner's Top Providers experience:

80%

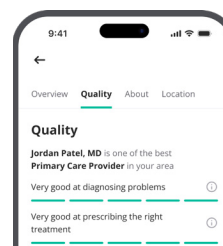

lower out-of-pocket costs on average

3 more

healthy days per year

Seamless integration. Simpler administration. Better member experience.

Priority Health's partnership with Garner means simpler implementation and a better experience for employers and their employees. Members don't need to submit EOBs to access their incentives, and employers avoid the \$10,000 data retrieval fee — making Garner straightforward to offer and easy to administer.

"I'm no longer intimidated to go to the doctor. When I need care, I see a Garner doctor."

Martin, Perrysburg, OH

Garner Member since 2021
