USING THIS DIRECTORY

Priority Health has many Providers, Specialists and other health care resources to serve you.

The *Provider Directory* sorts the Providers in our network into three lists:

1. *Alphabetical list of Primary Care Providers (PCPs)*. This list will show all the PCPs in alphabetical order by last name. It also notes the page number where you can look for the Provider's address and phone number.

2. *Geographical list of Primary Care Providers (PCPs)*. In this section, all of Priority Health's PCPs are listed under the cities where their office is located.

3. *Alphabetical list of Referral Specialists*. At times, services may be referred by the Primary Care Provider (PCP) to a participating specialist. Specialist referrals always need prior authorization.

This directory also lists hospitals, pharmacies and eye doctors that offer a discount for Priority Health members.

What if I have questions?
