

# Find doctors in your network

Find a provider that fits your needs, your plan and your budget. You can search by category, specialty, location and plan type right from your member account.

## Here's how:

- 1 Log in to or sign up for your Priority Health member account at **[member.priorityhealth.com](https://member.priorityhealth.com)** or through the app.
- 2 Click the **Find care** tab and select **Find a doctor or specialist** from the drop-down menu. Click **Continue** to be redirected to the Find a Doctor website.

Your search results are based on your specific plan type, so you'll see doctors in your network. You have the option to change your location and narrow your search to see what is most convenient for you.

Search for:

- Doctors, nationwide
- Specialists
- Labs
- Urgent care centers
- Pharmacies
- Chiropractors
- And more

### **Not a member yet?**

Browse in-network providers at **[priorityhealth.com/findadoc](https://priorityhealth.com/findadoc)** and select the plan type that best suits you. You'll be able to search for providers, facilities and more within that plan's network.
