

PriorityMOM

The mother of all maternity programs.

Finally, a maternity program that supports expectant moms.

PriorityMOM™, which stands for Maternity Offering for Members, is a Priority Health program designed to help you and your family navigate health care costs and coverage throughout your pregnancy and beyond. The goal? To promote healthier pregnancies and support you with resources during this exciting time in your life.

How it works

- 1 If you are an expectant mother and eligible Priority Health member, we will send you an email to join the PriorityMOM program. You can also sign up for PriorityMOM directly at priorityhealth.com/joinprioritymom.
- 2 Once you opt-in to the program, you will receive a welcome gift that contains:
 - Blood pressure cuff
 - Baby sleep sack
 - Program overview
 - Forehead thermometer (gift for second time PriorityMOM participant)
- 3 Throughout your pregnancy, you will receive information around your costs and coverage as well as educational resources. You will also receive information to help you manage health conditions during pregnancy, such as diabetes, hypertension, and depression.
- 4 At the end of the program, you will receive a \$50 gift card when you complete the program survey.

We believe the more moms know about their health care and coverage, the happier and healthier they'll be throughout pregnancy. We want to help inform and support our expectant moms on important health actions and milestones at every turn, every trimester.
